

ANJALI SCHOLARSHIP PROGRAM

MARCH 2025

In the month of March one class was conducted. On 08/03/2025 a class on Career Planning and Opportunities was conducted by expert Sarthak Patnaik. A detailed process discussion was held to help scholars identify their career goals, assess their skills and interests, explore options, and a plan was created to achieve their objectives. 29 students attended the sessions with closed captioning for those with hearing impairment.

With this one month scholarship was disbursed to students.
