

ANJALI SCHOLARSHIP PROGRAM

08/12/2024, SUNDAY

Two classes of Scholar Enrichment Program were held on 08/12/2024 from 10-11 am and 11.00-12pm. 23 students attended the session with Dr. Sruti Mohapatra doing the orientation, two experts and a sign language interpreter. The first hour was spent on introduction, an overview and rules of Scholar Enrichment Program, the achievement of previous scholars, career opportunities, scholarships available and government entitlements. The second class focused on an understanding of disability rights law and various government entitlements. Students were informed that next two classes in January 2024 (90 minutes duration and one class per fortnight) will focus on Indian Polity and recent happenings related to Constitution and Parliament. The second class would be a roundup of Indian Economy and focus on Budget.

With these, two months scholarship was disbursed to students.
